MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Revised Procedure for Dissemination
of NIS [Redacted]

25X1C

1. Attached for your information is the revised procedure being referred to the IAC members for concurrence.

2. The purpose of the attached procedure is to permit continuation of the present practices governing dissemination of the NIS without requiring that each case be individually approved by the IAC under the IAC-D-45/2 procedure. Any proposal for the dissemination of an NIS element that is not clearly authorized in the attached paper would be referred to the Secretary of the IAC for handling under the IAC-D-45/2 procedure.

3. The attached draft face sheet indicates the changes from the previous draft. The significant change, proposed by G-2, Air Force and ONI, is to extend previous IAC action pertaining to release of NIS [Redacted]
